Another Time - Another Place - Wayne Brittle	15/09/2020 19:30	15/09/2020 22:00	Its all about how I go about capturing landscapes from the planning stage through to the moment of capture. It includes lots of tips and advice on locations, equipment and techniques. There is a totally open and honest approach to the night, I welcome questions from the members as well as to have a bit of fun in the process. My slideshow which goes with the talk is constantly updated so some new images appear every talk I give which keeps the show 'fresh'. I might suggest to bring a notebook and pen as there is a lot of information to take in on the evening. As an ambassador for NiDi Filters, I give examples of how these filters work for you when out in the field. Also, as an ambassador for Fotopro, Professional Tripod Manufacturers, I show the importance of using a sturdy tripod while out on location To view a selection of work visit <a href="http://www.waynebrittlephotography.com">www.waynebrittlephotography.com</a> and I also have a photography page on facebook at: <a href="https://www.facebook.com/waynebrittlephotography1">www.facebook.com/waynebrittlephotography1</a> <a href="https://www.staffordphotosociety.org.uk/meeting/lecture-3/">https://www.staffordphotosociety.org.uk/meeting/lecture-3/</a>	Virtual Event

Working with Fine art and Textures	08/12/2020 19:30	08/12/2020 22:00	Janey Lazenby BA(hons) Fine Art, QTFE(2), ASEA, LRPS, CPAGB, BPE3, EFIAP, LMPA Web Site www.ejlazenbyphotography.co.uk Over the last 10 years the images I take are being seen as "art" in their own right; the capture of light, the narrative, the staging, makeup and styling, compositions and now, editing effects and Photoshop image manipulation creating final pieces that have a more magical quality. In this way I feel I am combining my skill as a traditional painter with my passion of photography and using Photoshop to blend the two together creating an original visionURL:https://www.staffordphotosociety.org.uk/meeting/janet-lazenby/	Virtual Event
